

Calling All Cake Designers & Bakeries

To find cake designers and bakeries, ask newlywed friends or your caterer, florist, or photographer; use a favorite bakery; or work with the in-house designer at your reception site. Research cake looks you like (try magazines, cake articles on-line or wedding-cake books). Copy, rip out, or print out pictures to bring with you. Log onto www.TheKnot.com/cake.

Make appointments with several cake designers/bakeries:

Name: _____
