

## The Bride's Look Worksheet

Before you get lost in all of your dress options, try to get an idea of what you imagine yourself wearing. As you begin to get out there and look (the ten-thousand-plus-image wedding gown guide on TheKnot.com is the best place to begin), try to identify the features you like most.

### Style (check all that apply)

- |   |   |   |
|---|---|---|
| <input type="checkbox"/> Formal           | <input type="checkbox"/> Informal         | <input type="checkbox"/> Traditional    |
| <input type="checkbox"/> Unusual          | <input type="checkbox"/> Classic          | <input type="checkbox"/> Modern         |
| <input type="checkbox"/> Cinderella-esque | <input type="checkbox"/> Romantic         | <input type="checkbox"/> Spare & simple |
| <input type="checkbox"/> Ornate           | <input type="checkbox"/> Lots of coverage | <input type="checkbox"/> Supersexy      |

### Shape

- |                                    |                                 |  |
|------------------------------------|---------------------------------|--|
| <input type="checkbox"/> Ball gown | <input type="checkbox"/> Sheath | <input type="checkbox"/> A-line (princess) |
|------------------------------------|---------------------------------|--|
