

## Calling All Caterers

Hotels, country clubs, and other large special-event facilities will likely have in-house caterers or preferred-caterer lists. Favorite restaurants may cater; also, log onto [www.TheKnot.com/caterers](http://www.TheKnot.com/caterers) to find a list of good ones in your area. Check ads in regional and/or national bridal or city magazines. You can call the National Association of Catering Executives at 847-480-9080 for a local referral.
